General Information

Theatre Mailing Address:

BMCC Tribeca Performing Arts Center
199 Chambers Street
Room: S110C
New York, New York 10007

Building Entrance:

The main entrance for Tribeca Performing Arts Center is on Chambers Street between West Street (West Side Highway) and Greenwich Street. This is the main entrance and second floor of Borough of Manhattan Community College. Walk up the main ramp and inside the lobby glass doors. A member of the college's public safety department can direct you to Tribeca Performing Arts Center's administrative office, located one floor down and in room S110C. Please have a photo I.D. available for our public safety officers at the door.

Ticketing Services

Ticketing Services is located inside the main lobby of Borough of Manhattan Community College. As you walk inside the main lobby glass doors, Ticketing Services is located to your right. Please note the posted hours. Ticketing Services hours are also available on our website www.tribecapac.org

Theatre Entrance:

The main audience entrance for Theatre One is on Chambers Street between West Street (West Side Highway) and Greenwich Street. This is the main entrance for Borough of Manhattan Community College. Walk up the main ramp and inside the lobby glass doors. If you need access to the theatre for barrier free accessible seating, please contact Ticketing Services at 212-220-1460. They can inform you of the best entrance for your arrival at the performing arts center.

Theatre One Loading Dock: (pre-arranged load in times only)

The loading dock for Theatre One is located at 190 West Street (West Side Highway.)

This is located just north of the white pedestrian bridge and is on the corner of Chambers Street and West Street. If the door is locked and you have arrived at your scheduled load in time, please ring the bell. A member of the theatre staff will meet you. Vehicles must leave the loading dock and be parked after load in and before setup.

Special Note: The loading dock is not at standard truck height.

Barrier Free Access:

Wheel chair / disability seating positions are located in both upper and lower areas of Theatre One and are accessible from the main entrance. Wheel chair access is also available to the stage but the Technical Office needs this information in advance. Also, inform both Ticketing Services and the House Managers of any special seating needs you may have.

Ticketing Services Phone: 212-220-1460

House Manager's Phone: 212-220-1459 ext 7216

Technical Director's Phone: 212-220-1461

Assistive Listening Devices:

Theatre One has assistive listening devices available. Please direct your audience members to a House Manager or a Ticketing Services staff person prior to the start of the performance for use of the system. A photo ID, such as a driver's license, will be required as a deposit for the equipment.

Technical Policies and Procedures

BEFORE YOU LOAD IN, YOU MUST PROVIDE A VALID CERTIFICATE OF FLAMEPROOFING FOR ANY AND ALL SCENERY, DROPS, BANNERS, AND DRAPERIES. NO UNFLAMEPROOFED MATERIALS WILL BE ALLOWED INSIDE OF THE BUILDING. MATERIALS MAY NOT BE FLAME-PROOFED OR TREATED AT THE PERFORMING ARTS CENTER.

The Certificate must include the following:

- 1. Be written in English*
- 2. Have a number and expiration date*
- 3. A signature of a Notary Public or licensed flame proofing company*

If you are bringing scenery, drops, or rigging into the space you must provide us with a detailed plan of how you intend to support, secure, or hang such items. We will not allow any installations that we believe to be unsafe. Drilling, stapling, gluing and nailing into the stage floor or walls of the theatre is strictly prohibited. If you must install new rigging points for your set, you will be held responsible for the restoring of any flame proofing materials removed in the install. The technical director will advise you on these policies.

At least one month before your show arrives at BMCC Tribeca PAC, you must provide the Technical Director with a complete list of any and all items that you are planning on bringing in. This includes, but is not limited to, any scenery, soft goods, props, costumes, lighting or sound equipment, special effects, raw materials, musical instruments, live animals, and any merchandise materials. This list should be confirmed a minimum of four weeks before the date of your event with changes being brought to the Technical Director's attention.

Fire effects of any kind, including the smoking of a cigarette onstage, must have special permission granted by Tribeca Performing Arts Center, Borough of Manhattan Community College, and the Fire Department of the City of New York. Extra time and permit costs must be planned for these types of effects.

Helium Balloons are not permitted within the Theatre.

There is no eating or drinking permitted within the audience area of the theatre.

Smoking is strictly forbidden anywhere in the building

Smoke Machines and Hazers are not allowed due to the sensitive nature of the fire detection/suppression systems installed in the theatres. Dry Ice Fog and Dry Ice Fog machines are allowed. At no time shall the fire detection/suppression system be disabled to allow for a smoke machine or hazer.

Due to insurance regulations only BMCC Tribeca PAC staff can use ladders and the genie lift. Our staff are also the only ones allowed to setup and move our tables.

No one shall be allowed within the theatre without a staff person present from BMCC Tribeca Performing Arts Center. This includes the audience area, stage, dressing rooms, backstage, and lobby areas.

CREW POLICIES AND INFORMATION

- ⌘ BMCC Tribeca Performing Arts Center equipment, such as but not limited to, follow spots, lighting and audio consoles, LCD projectors & media equipment, the fly system, and draperies may only be operated by Tribeca personnel. Questions regarding this policy should be made in advance to the Technical Director.
- ⌘ Crew members are not union. Many crew members are skilled in more than one area of production and may be on more than one type of work during the course of the day.
- ⌘ When arranging your schedule in the space, be aware that BMCC Tribeca Staff cannot guarantee additional services beyond your original contracted time. You should plan for contingencies of a show running later than planned or other factors that may delay your day in the space. BMCC Tribeca Performing Arts Center crew members are freelance technicians who may not be available to continue to work past the originally scheduled call time.
- ⌘ The Technical Director's schedule is designed to provide a one hour walk away break for crew members every 5 hours. In the event that a crew member is required to work for longer than five hours without a full break, he / she will be compensated with an extra hour of pay. This extra hour will be billed to your producer and may be at an overtime rate.
- ⌘ In the event that you need to add time to a schedule , or increase the number of crew persons on the schedule, be aware this will only be possible if the following conditions are in place
 - The technical director or crew supervisor is made aware of the request in advance
 - The space is available
 - The crew is available
 - The college and college staff are available
 - Your producer has approved and paid for the additional Tribeca and BMCC cost directly to the Operations Director
- ⌘ If the need for more time arises and the crew and space are available, then BMCC Tribeca PAC will not refuse reasonable requests for additional time. Crew hours that are requested after the original contract may be billed at an overtime rate.
- ⌘ We do not allow changes or cancelations to the crew schedule or the number of crew assigned to a production within one week (business days Monday – Friday only) of your scheduled contract in the space.
- ⌘ The theatre's crew runs the shows. During your show, their responsibilities go beyond the duties that they are assigned for your show, because they monitor the space as well. The crew's call is not over when your show is finished, they are required to stay until all audience and performers have left the theatre and its equipment has been restored to its original state.
- ⌘ The crew has access to a ring of keys to unlock all rooms within the theatre. Keys are not distributed to the visiting company.
- ⌘ While your event is in the theatre, crew members work for BMCC Tribeca PAC. Please direct your comments to the supervisor and not to the individual crew members unless otherwise established.

Parking

Parking is not provided at Borough of Manhattan Community College or BMCC Tribeca Performing Arts Center. There are several convenient parking locations within one or two blocks of the center. Please double check rates and closing hours which are clearly posted as you enter the garage. There are no discounts available at this time for patrons using the performing arts center, or their audience members.

Parking Lot Websites

ICON Parking – www.iconparkingsystems.com

STANDARD Parking – www.pier40parking.com

In addition to the above listed parking facilities, there is limited street and meter parking around the area. Please pay close attention to all signage if you plan on parking your car or truck on the street. Most areas have very specific hours for when you can park legally. Note that NYC has a system of alternate side of the street parking.

Special requests for street parking in the Tribeca neighborhood should be directed to the community affairs office at the 1st Precinct of the New York City Police Department. Requests must be submitted with more than one month's notice for consideration and are not guaranteed.

1st Precinct

16 Ericcson Place
212-334-0611

Note: You do not want to have your vehicle towed. It is a remarkably expensive experience.

BMCC Tribeca PAC and Borough of Manhattan Community College is not responsible for any parking violations you may receive while at the theatre.

NYC Taxi Cabs: as of 11/02/09 - rates are subject to change

Cabs can be hailed from the street. Look for the white on duty light on top of the cab. Taxi rates are labeled on the door of the cab. A meter is mounted on the front dash of the car. You may request a printed receipt. Most cabs are equipped with credit card readers, and you may use your credit / debit card whenever service is available. Tipping is customary.

Normal Rates.

Base Fare:	\$3.00
Additional Fare:	\$0.40 per 1/5 mile
Stopped or Slow Traffic	\$0.40 per 60 seconds
Weekday Peak Surcharge 4pm – 8pm	\$1.00 additional upon entry to the cab
Night Surcharge 8pm – 6am	\$0.50 additional upon entry to the cab

NYC Subway:

BMCC Tribeca Performing Arts Center is conveniently located just blocks from several subway lines. The MTA NYC Subway system costs approx \$2.25 per ride. Metrocard vending machines are located at each subway station and are available for a single ride card to an unlimited daily, weekly, or monthly pass.

- Red Line 1, 2, 3 to Chambers Street Stop – walk 2 blocks west on Chambers Street
- Blue Line A or C to Chambers Street Stop – walk 3 blocks west on Chambers Street
- Green Line 4, 5, 6 to Brooklyn Bridge Stop – walk 6 blocks west on Chambers Street

Service on subways is subject to change – you can visit www.hopstop.com or call the MTA information hotline at 718-330-1234 to double check scheduled service

NYC Bus Service

- M1 to Chambers Street - walk west on Chambers Street
- M6 to Chambers Street - walk west on Chambers Street
- M10 to Chambers Street - walk west on Chambers Street
- M22 (Crosstown on Chambers) – walk west on Chambers Street

NY Waterway Ferry Service

- From Hoboken NJ (North and South) - take the World Financial Center Ferry – Walk North to Chambers Street
- From Weehawken / Port Imperial – take the World Financial Center Ferry – Walk North to Chambers Street
- From Colgate – take the World Financial Center Ferry – Walk North to Chambers Street

STATEN ISLAND Ferry Service

Take the Staten Island Ferry to South Street. Change to the Subway Red Line Number 1 Service going uptown. Take subway to Chambers Street, walk 2 blocks west on Chambers Street

Load – In

Loading Dock – The Theatre One loading dock is located at 190 West Street (West Side Highway). This is located just north of Chambers Street. The loading dock will not accommodate a large semi-truck, it will accommodate a large box truck. If you are touring with a semi truck, arrangements can be made to accommodate this. It is essential that you have two large ramps for the truck. One will be used to ramp down from the truck bed to the street, the other will be used to ramp up into the loading dock from the street. Load-In times will be scheduled within your contracted use of the space. The loading dock cannot be used to park trucks or vehicles without special arrangements with the Borough of Manhattan Community College and the Police Department of NYC. There is no overnight parking allowed at the loading dock.

Dimensions of Bay: from street: 18'
Curb cut width: 20'
Height of Dock from sidewalk: 3' 2"
Loading Dock Lift: 6'(w) x 3'2"(lowered) x 8'4" (raised)
Please note the dock lift does not go to street level

Dimensions of Loading Door: 10' 10" (h) x 9' 9" (w)

Dimensions of Theatre Dock Door: 7' 11" (h) x 5' 11" (w)

Load-In of Front of House Equipment - In some instances it will be easier to load in equipment going to the front of house positions in theatre one by using the BMCC / Tribeca PAC elevators. Equipment must be loaded in at the West Street Gate entrance. The West Street Gate entrance is located just north of the Theatre One Loading Dock and is available by appointment only. The elevators are the only means of elevator travel to the upper house section of theatre one. Please contact the technical director if you feel you may need to use this as a load in location. You must have a Tribeca PAC staff member with you while using the elevators within the college. During peak hours of class time and events within the college, it is a good idea to allow extra time if planning to use these elevators.

Dimensions of Elevators: 5'3"(w) x 8'3"(h) x 6'9" (depth)

There is no freight elevator at BMCC / Tribeca Performing Arts Center

Carpentry

Seating Capacity:

Seating: 913

Dressing Rooms, Greenroom, Laundry, Crossovers, and Storage

Dressing Rooms

A (stage level)	1 to 2 Person Capacity Dimensions 4' x 6'	1 Mirror Station	1 Sink	1 Toilet	
B (stage level)	1 to 2 Person Capacity Dimensions 4' x 6'	1 Mirror Station	1 Sink	1 Toilet	
C (stage level)	1 to 2 Person Capacity Dimensions 4' x 6'	1 Mirror Station	1 Sink	1 Toilet	
D (above stage level)	10 Person Capacity Dimensions: 15' x 12'	6 Mirror Stations	2 Sinks	1 Toilet	1 Shower
E (above stage level)	10 Person Capacity Dimensions: 15' x 12'	6 Mirror Stations	2 Sinks	1 Toilet	1 Shower

For large groups it may be possible to use the lower lobby as a dressing room. Extra time and costs may be needed to prepare this room. Contact the house manager to arrange for use of this room.

Green Room

Located off stage right

Dimensions: 12' x 8'

Accommodates: 8 to 10 people

Laundry:

BMCC Tribeca Performing Arts Center has one washer and one dryer located within the complex. Special arrangements must be made if you will need to do laundry while at the performing arts center. Please discuss your needs well in advance of your event. Failure to arrange for the use of this equipment in advance will result in the equipment not being available to your company the day of your event.

Irons / Ironing Boards: 1

Steamers: 2

Racks: 4

Cross Over:

The main crossover is located in the dressing room hallway on stage level. On stage crossover upstage of the black traveler when closed.

Storage:

Storage space is extremely limited and only available during your contracted time in the space. Please discuss your storage needs well in advance of your event. **Please note that extra costs may be incurred for the storage of any materials related to your event outside of your contracted time. Unless arranged for well in advance storage of items will not be allowed.**

Disposal of Items:

We are not able to dispose of large set pieces, props, furniture, costumes or other related items to your event. Anything brought into the theatre must be taken with you when loading-out.

Spare Barrel Sizes:

Varied selection available.

Source Four Top Hats: 15 Total

Source Four Color Extenders: 32 Total

Source Four Gobo Holders Size A &B: 15 Total

7.5” Barn Doors: 6 Total

Color Media Information:

BMCC Tribeca PAC only stocks repertory lighting plot color gel in Rosco and Lee. We have a very limited supply of extra gel colors available. It is imperative if you have exact color requests that you bring all lighting gel media with you at the time of your load in. We do not provide gel even if it is provided to us in advance on a lighting plot. It will save an immense amount of time if you have this gel cut to either ETC Source 4 or ETC Source 4 PAR size. If changing gel in our Colotran units for the CYC wall please contact to Technical Director.

Cable / Hardware:

Large supply of 5’, 10’, 25’, 50’ Twist Lock Nub In Cables

Limited Supply of Two-Fers, Side Arms, Adapters

Power:

(1) - 60 amp 3-phase cam lock . You must bring cam lock turn around adapters with you if you plan on using this equipment.

(1) – 200 amp 3-phase tie-in – additional fee for electricians. – you must provide bare wire to cam lock for this.

(6) – 20amp Quad Box Edison circuits backstage locations

House Dimmer Racks are permanently installed on the loading rail in the dimmer room

ELECTRICAL TIE-IN / 60 AMP 3 PHASE SERVICE

If you plan to bring your own sound system it may be possible for you to use the 60 AMP 3 PHASE SERVICE to CAM LOCK TAILS. A detailed conversation between the sound rental provider and the BMCC Tribeca PAC technical director will be needed in order to determine if this is adequate to meet your needs. Should you require more power than this can provide, you will need to use the 200 AMP Service that is described below. If using the 60 AMP 3 PHASE you must provide CAM LOCK turnarounds. This service is offered at no additional cost to you. This service can only provide power to a sound system.

ELECTRICAL TIE – IN / 200 AMP SERVICE

If you plan to bring your own lighting system, there is a high possibility you will need to “tie in” to the center’s 200amp 3 phase service. This can be determined only after the sound or lighting representative contacts the technical office. If you do need to use the tie in this is billed at an additional fee. The service requires a local 3 college services electrician and an electrician’s assistant billed at a possible overtime rate. In the event you are bringing in an outside sound or lighting system and elect to not use this service, BMCC Tribeca PAC cannot guarantee there will be enough in house power to run your outside system. Please contact the technical director if you have any doubts or questions about this service. This service can provide power to either a lighting system or a sound system but not both.

Sound

Monitor / Paging:

Stage Manager's paging microphone located off stage right. Pages to dressing rooms only

Microphone Stands:

Standard Upright	20
Boom Arms	22
Tripod Stands	22

Audio – Visual

BMCC Tribeca Performing Arts Center does not provide equipment such as LCD Projectors, DVD Players, VHS Players, and Laptop Computers. For most Audio/Visual needs we have equipment available from the BMCC Media Services Office. Please let us know of your specific needs so that we may advise you about the type of media equipment we have available. Note that you will receive a bill from Tribeca PAC to cover these additional BMCC auxiliary services. You may also need to have additional discussions with the director of the media services office.

We do not have any film projectors installed within the theatre. If you are planning on showing a film and a standard 3000 lumens projector will not meet your needs, you will have to rent in all necessary equipment from an outside company. We have suggested two companies that have provided this service to our clients before. Please note you must contract the equipment and staffing from the outside company in addition to the theatre's technical staffing. You may also require the services of the BMCC Electricians in order to provide enough power for the rented projector and equipment.

There are two projection surfaces in Theatre One.

- 1 – Automated Roll Down Screen just downstage of the main drape. – **FRONT projection only**
Screen Dimensions: 24' (w) x 17' (h)
Travel Time: Full In Position – 1 min
Full Out Position – 1 min

Screen control switch located in the control booth.

Due to size & weight, the screen can only cycle in and out one time in a period of twenty minutes.

- 1 – Hard Curved CYC Wall – most upstage position in the theatre. – **FRONT projection only**
CYC Wall Dimensions: 36' (w) x 20' (h)

Please note the CYC Wall should not be used for projections when setups or your performers may be on the stage. The setup and the human body will block the image to this location.

- Distance from the control booth to the front screen - 80' approx
- Distance from the control booth to the CYC – 100'
- Distance from house projection point to the front screen – 60' approx
- Distance from house projection point to the CYC – 80'

Rear projection screens and portable free standing screens are available from media services and may be billed at an additional fee.

Internet Services are available and may be billed at an additional fee. This also requires a planning session with member of BMCC Tribeca PAC's staff and the computer center offices of the Borough of Manhattan Community College

Satellite Uplink and Downlink service is available and may be billed at an additional fee.

Stage Furnishings

Chairs:

- 100 Blue Plastic - available only by advance request of 1 week
- 60 Black Padded folding
- 30 Tan Padded folding

Stands:

- 40 Manhasset Black

Stand Lights:

- 10 Universal Klip-Light
- 30 Wireless LED Stand Lights – each uses 3 AAA batteries – you must supply your own batteries

Conductor's Podium:

- 1 Measures 4' x 4' Carpeted - available with railing or without
- 1 Double Width Conductors Stand available as well

Platforming: Wenger Adjustable Height – (available by advance request only)

- 10 4' x 8' decking adjustable as 8" 16" or 24"

Rolling Drum Riser:

- 1 8' x 8' x 8"

Dance Floor:

Black Rosco Marley Dance Floor

- ∞ **Full Stage (except orchestra pit)**
- ∞ **No Rosin Permitted**
- ∞ **No Folding or Rolling under.**
- ∞ **No Slip No More Product Allowed**
- ∞ **No Soda/Water Combinations Allowed**

Lectern:

Dimensions: Height – 4'
Width – 2'

Note: The BMCC logo affixed on the lectern may not be covered at any time. Event signage may be placed below the affixed BMCC logo.

Piano: (Tuning arranged by Tribeca PAC at a cost of \$125.00 per tuning)

- 1 - Grand: Steinway Size B 7' x 5'
- 2 - Upright: Steinway

Do you plan on having an intermission: If you do have a planned intermission, tell us the length it will be

Is there a talk back following the performance with the audience, if yes please tell us how long it will last

Restore Time: (this is not just the load out of your company but the restore of the venue as well)

Number of crew persons you feel you need: (our minimum is 3 plus a technical supervisor as required)

(this will be ultimately set by the BMCC Tribeca PAC technical director)

Please tell us about any special load in needs you may have:

What is your transportation to the theatre: (Tribeca PAC provides no parking once load in is completed)

Semi Truck Box Truck Van Car Taxi Other:

What stage scenery are you using? (list all set pieces you are bringing. Items not on this list may not be allowed to be brought into the theatre.

**How do you plan to anchor the set to the stage floor:
(you are not permitted to screw, nail, or glue onto the floors)**

Are you using any backdrops or banners? (list each one and its dimensions)

Does your backdrop or banners have? Grommets or Pipe Pockets

Do you have any scenery that must be flown?

You must have a certificate of flame proofing for all backdrops, banners, and scenery brought into the theatre. Please contact the technical office for further information regarding this policy. Your certificate of flame proofing must arrive before your load in can happen. Any items that do not have this certificate are subject to being removed from the theatre.

Do you have a ground plan of your set or stage setup?

(please fax or email a copy of this ground plan to us. BMCC Tribeca PAC fax number is 212-732-2482)

How far upstage will you be using? CYC U.S. TRAV D.S. TRAV (theatre one only) HOUSE DRAPE

Do you need a lectern? If yes where do you want it placed on stage

Do you need a Marley Dance Floor? (If yes note it takes 4 technicians 1.5 hours to install this on)

Do you need table(s) onstage?

Where onstage would you like the table(s)?

Do you need chairs onstage?

Where onstage would you like the chairs?

Do you need tables or chairs backstage?

Where backstage would you like the tables and chairs?

Please tell us about other items you may be bringing in that we forgot to ask about

MEDIA SERVICES

Provided by the BMCC Media department. There are additional charges for equipment and technicians.

Does your event require media services?

Do you need an LCD Projector? (these are 3000 lumens projectors only)

Do you need a DVD / VHS Player?

Do you need a Laptop Computer?

Do you need a media switcher to control your event?

Will you need an Internet Connection?

What is your intended purpose of the internet connection? Web Surfing? Live Streaming?

STAGE LIGHTING

BMCC Tribeca PAC's repertory lighting plot consists of ETC source four units with various barrel sizes. We do not have automated fixtures at this time, but do have color scrollers available. Please note that our lighting plot has been designed to meet most needs of the average rental. You can re-focus the plot and make changes to it based on your needs, but this may add additional crew and time to your overall event cost. BMCC Tribeca PAC provides no pre-hang or pre-focus work on the plot for your event. All focusing or changing of the lighting must be completed within your contracted time in the theatre. We do have a limited number of additional lighting units and booms that can be used. Contact the technical office for more information on our repertory lighting plot. Anything focused from our repertory lighting plot must be focused back to repertory on the final day of your event.

Do you need a copy of our current lighting paperwork?

(we have updated our lighting plot, copies prior to July 2010 should be discarded and replaced)

Do you have a lighting designer?

Lighting designer name & contact information?

Do you have a lighting plot of your own you wish to use?

Do you want to use our repertory plot with our house lighting person creating looks for your show?

Will you be using side lights, booms, or additional lighting fixtures?

Will you be using a follow spot? We have two follow spots available for theatre one only

Special effects lighting that you may be bringing with you?

Will you be using an outside lighting company? Provide company name and contact phone number

ELECTRICAL TIE – IN / 200 AMP SERVICE

If you plan to bring your own lighting system, there is a high possibility you will need to "tie in" to the center's 200amp 3 phase service. This can be determined only after the sound or lighting representative contacts the technical office. If you do need to use the tie in this is billed at an additional fee. The service requires a local 3 college services electrician and an electrician's assistant billed at a possible overtime rate. In the event you are bringing in an outside sound or lighting system and elect to not use this service, BMCC Tribeca PAC cannot guarantee there will be enough in house power to run your outside system. Please contact the technical director if you have any doubts or questions about this service. This service can provide power to either a lighting system or a sound system but not both.

Note: If you are planning on using colored gel media other than that in BMCC Tribeca PAC's repertory lighting plot, you must bring that color media with you. We have a very limited supply of spare color that is different from our repertory lighting plot

Are you using any special effects? Fire, dry ice, smoke machines or hazers, strobe lights, black lights

SOUND and AUDIO SYSTEMS

Are you using our in house sound system?

(please note the house sound system has certain decibel level restrictions) you must speak with the Technical Director to discuss the limitations of our in house system

What type of playback devices are you using? How many players do you need?

CD MINI DISC LAPTOP

Are you in need of a piano? Would you like a Grand Piano or an Upright

(tunings are arranged solely by BMCC Tribeca PAC at a cost of \$125.00 per tuning)

Do you need wireless lavalier microphones?

Wireless microphones are an additional fee per microphone

Number of wireless handheld microphones requested?

Other microphones you will be requiring for your event?

Do you have a band or orchestra?

What is the instrumentation?

Do you need music stands?

Do you need music stand lights?

Do you need any additional amplifiers? GUITAR BASS KEYBOARD

Do you wish to have the event recorded to CD?

Events recorded to CD are done on a hard disk system and require a two week waiting period for the CD copy

Are you videotaping the event?

How many cameras will you be using?

Do you need a live sound feed to each camera?

BMCC Tribeca PAC provides no backline equipment for live bands or orchestras. All amplifiers must be provided by you at your own rental arrangements and costs. BMCC Tribeca PAC does not rent backline equipment for you or your company members. We are happy to provide you with local rental house information at no charge to you if you need assistance. We provide no musical instrument rentals or musical equipment on site with the exception of pianos.

ELECTRICAL TIE-IN / 60 AMP 3 PHASE SERVICE – If you plan to bring your own sound system it may be possible for you to use the 60 AMP 3 PHASE SERVICE to CAM LOCK TAILS. A detailed conversation between the sound rental provider and the BMCC Tribeca PAC technical director will be needed in order to determine if this is adequate to meet your needs. Should you require more power than this can provide, you will need to use the 200 AMP Service that is described below. If using the 60 AMP 3 PHASE you must provide CAM LOCK turnarounds. This service is offered at no additional costs to you.

ELECTRICAL TIE – IN / 200 AMP SERVICE

If you plan to bring your own lighting system, there is a high possibility you will need to “tie in” to the center’s 200amp 3 phase service. This can be determined only after the sound or lighting representative contacts the technical office. If you do need to use the tie in this is billed at an additional fee. The service requires a local 3 college services electrician and an electrician’s assistant billed at a possible overtime rate. In the event you are bringing in an outside sound or lighting system and elect to not use this service, BMCC Tribeca PAC cannot guarantee there will be enough in house power to run your outside system. Please contact the technical director if you have any doubts or questions about this service. This service can provide power to either a lighting system or a sound system but not both.

House Data Worksheet for Theatre Rental Clients
Gina Cimmelli - Senior House Manager x7216 – GCimmelli@bmcc.cuny.edu

Are you in need of tables? _____
At what time? _____

We can supply 6 foot tables. White table cloths with blue skirts cost \$30/table. (Check for availability)

Specific audience entrance/exit needs:

Anticipated Special Needs of Audience: (i.e. wheelchair, hearing impaired, etc.)

Will you be selling merchandise? If so, what: _____

All merchandise must be approved by House Managers 212-220-7216. BMCC Tribeca PAC provides staff and handles all cash and credit card transactions. Merchandise sales are contracted separately, BMCC Tribeca PAC inventories, conducts sales, provides reports, and issues payment within three weeks. There is a 25% commission on this service.

Will there be any autograph sessions? If so, by who, when and where? _____

FOR THE PROTECTION AND SAFETY OF ALL PARTIES INVOLVED IN A PRODUCTION - THE HOUSE MANAGER WILL DETERMINE AND APPROVE ALL SCHEDULING AND STAFFING TO BE USED DURING A PRODUCTION. THE NUMBER OF STAFF (INCLUDING BOTH HOUSE MANAGER AND USHER POSITIONS) WILL BE DETERMIND BASED ON THE EVENT PRIOR TO THE CONTRACTING OF THE EVENT.

Seating (Reserved or General): _____

If General, are there any special reserved seating areas? _____

Is there any audience participation? Will the audience ever go on stage or the artist into the House? If so, when? _____

Video/Media Equipment Usage:

Please note that due to strict fire code rules and regulations regarding places of public assembly and theatres, you will not be allowed to setup projectors or visual media equipment in the aisles of the theatre, behind the seating area, or in the row in front of the stage. Our staff will gladly block off selected sections to accommodate your media needs. Prior to your event going on sale with BMCC Tribeca PAC Ticketing Services

These flat floor areas are recommended for video set-up; but because they are designated as Barrier Free seating for wheelchair, if ticket holders require these seats they take precedence.

THEATRE 1:

- **There is an ATM located within the building near Ticketing Services.**
- **Personal Checks are not accepted by Ticketing Services.**
- **All sales are final; there are no refunds or exchanges**

TICKET PRINTING

In House Printing

BMCC Tribeca PAC is equipped to handle most ticketing situations. Please fill out the Ticket Printing Form that was provided to you and return it to the Ticketing Services Manager. Once we have received your Ticket Printing Form we will build your Event in our database. We will then print a Test Ticket for you to proof

Outside Printing

Is not permitted.

Wristbands / Badges

Your production team working your event at BMCC Tribeca PAC will not be admitted without BMCC Tribeca PAC generated badges or wristbands. Please contact the Ticketing Services Manager to arrange these for your staff. Remember that these badges or wristbands will not permit your production staff to sit within the theatre during the performance. We can also supply wristbands and badges, at an additional charge, for all day events that allow patrons re-entry.

Ticket Sign-Out

You are allowed as the producer to sign-out tickets for each performance. These tickets are yours to sell or distribute outside of the BMCC campus in any way that you see fit.

In order to better serve the BMCC community, events that are open to the public are required to leave a minimum of 50% of the seating capacity of the theatre (Theatre 1 – 457 seats, Theatre 2 – 130 seats) with Ticketing Services. These tickets will be available at Ticketing Services for any patrons to purchase during regular Ticketing Services hours.

Any tickets that you wish to have sold on the BMCC campus the day of the Event must be returned to Ticketing Services one (1) business day prior.

TICKETS MAY NOT BE SOLD ON THE BMCC CAMPUS OUTSIDE OF TICKETING SERVICES
- NO EXCEPTIONS

For example, your performance takes place Saturday night at 7pm, unsold tickets should be returned to Ticketing Services no later than 6pm on Friday. If your event takes place on a Monday evening you would need to return your tickets by 6pm on Saturday.

SELECTING A PRICING MAP

We have created a set of Standard Pricing Maps for Theatre 1. These maps are already in the ticketing software and are the most efficient for your event.

There are 6 separate Standard Pricing Maps for Theatre 1. They range from 1 Pricing Zone / General Admission to 5 Pricing zones

There are 3 separate Standard Pricing Maps for Theatre 2. They range from 1 Pricing Zone / General Admission to 3 Pricing zones.

If none of the Standard Pricing Maps work for you event, we can create a custom map for a fee of \$250.00

DISCOUNT / PROMOTIONS

BMCC Student / Staff

There is a minimum 20% discount for BMCC Students, Faculty, and Staff. This discount will require the patron to show their BMCC identification card to Ticketing Services before the sale is made. This discount will not be available by phone or internet sales

Other Discounts / Promotions

Please discuss and Promotions / Discounts with the Ticketing Services Manager before you advertise it. We want to be prepared to serve your customers as best we can.

Special Considerations

Complimentary/Press Tickets

It is in your best interest to reserve complimentary tickets as you become aware that you need them. This will allow us to provide you with the best selection of seats to choose from. Please provide Ticketing Services with a preliminary list with Patron Names and Number (#) of Seats no less than 1 business day prior to your event.

Website Listing

We are more than happy to add your event to the calendar on www.tribecapac.org. If you would like to participate in this, please email a descriptive paragraph about your event along with a graphic to Ticketing Services Manager when you submit your ticketing request form. If you would not like your event listed on the website, please contact the Ticketing Services Manager.

Internet Sales

We are able to provide internet ticket sales through SmartTix.com. If you are interested in this service, please indicate this on the ticket request form. All tickets sold via SmartTix will be subject to the contracted credit card fee rate.

Wheelchair Seats

All Wheelchair seats are held by Ticketing Services. Patrons in need of a Wheelchair seat can contact us directly during Regular Ticketing Services Hours.

Will Call

There are a couple of ways to handle Will Call tickets.

-You may pass the Will Call tickets to Ticketing Services. You will need to include a complete list of all the tickets including Patron's Name, Phone Number, Section/Row/Seat, and any Notes/Special Accommodations. Ticketing Services must receive this information at least one (1) business day prior to the event, unless alternate arrangements are made.

-You can request that House Management set up a table for your representative to handle Will Call. The table will generally be just to the side of Ticketing Services in front of Theatre 2. This table would only be for Will Call Tickets, not sales – **no money may be exchanged at this table under any circumstances.**

Reservations

Ticketing Services does not take Reservations or Hold Seats for patrons. The only way for a patron to guarantee themselves a seat is to purchase a ticket.
