Room: S110C
New York, New York 10007

Building Entrance:

The main entrance for BMCC Tribeca Performing Arts Center is on Chambers Street between West Street (West Side Highway) and Greenwich Street. This entrance is the main entrance and the second floor lobby of Borough of Manhattan Community College. Walk up the main ramp and inside the lobby glass doors. A member of the college's public safety department can direct you to the BMCC Tribeca Performing Arts Center's administrative office, located one floor down and in room S110C. Please have a photo I.D. available for our public safety staff

Ticketing Services

Ticketing Services is located inside the main lobby of Borough of Manhattan Community College. As you walk inside the main lobby glass doors, Ticketing Services is located to your right. Please note the posted Ticketing Services hours. Ticketing Services hours are also available on our website www.tribecapac.org

Theatre Entrance:

The main entrance for Theatre Two is on Chambers Street between West Street (West Side Highway) and Greenwich Street. This is the main entrance for the Borough of Manhattan Community College. Walk up the main ramp and inside the lobby glass doors. If you need access to the theatre for barrier free accessible seating, please contact Ticketing Services at 212-220-1460. They can inform you of the best entrance for your arrival at the performing arts center.

Theatre Two Load-in: (pre-arranged load in times only)

The loading area for Theatre Two is located at 77 Harrison Street. This is between West Side Highway and Greenwich Street. Approaching from the west side highway, Harrison street is located approx 1 block north from Chambers Street. There is no loading dock available for Theatre Two. Load-In will be about 200 feet from the theatre doors. Vehicles may be parked for active load in and load act activity only. Once loaded in, vehicles must be removed

Barrier Free Access:

Wheel chair / disability seating positions in Theatre Two are available from the main entrance and Harrison Street. Wheel chair access is also available to the stage but the technical office needs this information in advance. Also, inform both the Ticketing Services and the house managers of any special seating needs you may have.

Ticketing Services Phone: 212-220-1460

House Manager's Phone: 212-220-1459 ext 7216

Assistive Listening Devices:

Theatre Two has assistive listening devices available. Please see a House Manager or a Ticketing Services staff person for use of the system. A photo ID, such as a driver's license, will be required as a deposit for the equipment

Technical Policies and Procedures

BEFORE YOU LOAD IN, YOU MUST PROVIDE A VALID CERTIFICATE OF FLAMEPROOFING FOR ANY AND ALL SCENERY, DROPS, BANNERS, AND DRAPERIES. NO UNFLAMEPROOFED MATERIALS WILL BE ALLOWED INSIDE OF THE BUILDING. MATERIALS MAY NOT BE FLAME-PROOFED OR TREATED AT THE PERFORMING ARTS CENTER.

The Certificate must include the following:

- 1. Be written in English*
- 2. Have a number and expiration date*
- 3. A signature of a Notary Public or licensed flame proofing company*

If you are bringing scenery, drops, or rigging into the space you must provide us with a detailed plan of how you intend to support, secure, or hang such items. We will not allow any installations that we believe to be unsafe. Drilling, stapling, gluing and nailing into the stage floor or walls of the theatre is strictly prohibited. If you must install new rigging points for your set, you will be held responsible for the restoring of any flame proofing materials removed in the install. The technical director will advise you on these policies.

At least one month before your show arrives at BMCC Tribeca PAC, you must provide the Technical Director with a complete list of any and all items that you are planning on bringing in. This includes, but is not limited to, any scenery, soft goods, props, costumes, lighting or sound equipment, special effects, raw materials, musical instruments, live animals, and any merchandise materials. This list should be confirmed a minimum of four weeks before the date of your event with changes being brought to the Technical Director's attention.

Fire effects of any kind, including the smoking of a cigarette onstage, must have special permission granted by Tribeca Performing Arts Center, Borough of Manhattan Community College, and the Fire Department of the City of New York. Extra time and permit costs must be planned for these types of effects.

Helium Balloons are not permitted within the Theatre.

There is no eating or drinking permitted within the audience area of the theatre.

Smoking is strictly forbidden anywhere in the building

Smoke Machines and Hazers are not allowed due to the sensitive nature of the fire detection/suppression systems installed in the theatres. Dry Ice Fog and Dry Ice Fog machines are allowed. At no time shall the fire detection/suppression system be disabled to allow for a smoke machine or hazer.

Due to insurance regulations only BMCC Tribeca PAC staff can use ladders and the genie lift. Our staff are also the only ones allowed to setup and move our tables.

No one shall be allowed within the theatre without a staff person present from BMCC Tribeca Performing Arts Center. This includes the audience area, stage, dressing rooms, backstage, and lobby areas.

CREW POLICIES AND INFORMATION

- ⌘ BMCC Tribeca Performing Arts Center equipment, such as but not limited to, follow spots, lighting and audio consoles, LCD projectors & media equipment, the fly system, and draperies may only be operated by Tribeca personnel. Questions regarding this policy should be made in advance to the Technical Director.
- ⌘ Crew members are not union. Many crew members are skilled in more than one area of production and may be on more than one type of work during the course of the day.
- ⌘ When arranging your schedule in the space, be aware that BMCC Tribeca Staff cannot guarantee additional services beyond your original contracted time. You should plan for contingencies of a show running later than planned or other factors that may delay your day in the space. BMCC Tribeca Performing Arts Center crew members are freelance technicians who may not be available to continue to work past the originally scheduled call time.
- ⌘ The Technical Director's schedule is designed to provide a one hour walk away break for crew members every 5 hours. In the event that a crew member is required to work for longer than five hours without a full break, he / she will be compensated with an extra hour of pay. This extra hour will be billed to your producer and may be at an overtime rate.
- ⌘ In the event that you need to add time to a schedule , or increase the number of crew persons on the schedule, be aware this will only be possible if the following conditions are in place
 - The technical director or crew supervisor is made aware of the request in advance
 - The space is available
 - The crew is available
 - The college and college staff are available
 - Your producer has approved and paid for the additional Tribeca and BMCC cost directly to the Operations Director
- ⌘ If the need for more time arises and the crew and space are available, then BMCC Tribeca PAC will not refuse reasonable requests for additional time. Crew hours that are requested after the original contract may be billed at an overtime rate.
- ⌘ We do not allow changes or cancelations to the crew schedule or the number of crew assigned to a production within one week (business days Monday – Friday only) of your scheduled contract in the space.
- ⌘ The theatre's crew runs the shows. During your show, their responsibilities go beyond the duties that they are assigned for your show, because they monitor the space as well. The crew's call is not over when your show is finished, they are required to stay until all audience and performers have left the theatre and its equipment has been restored to its original state.
- ⌘ The crew has access to a ring of keys to unlock all rooms within the theatre. Keys are not distributed to the visiting company.
- ⌘ While your event is in the theatre, crew members work for BMCC Tribeca PAC. Please direct your comments to the supervisor and not to the individual crew members unless otherwise established.

In addition to the above listed parking facilities, there is limited street and meter parking around the area. Please pay close attention to all signage if you plan on parking your car or truck on the street. Most areas have very specific hours for when you can park legally. Note that NYC has a system of alternate side of the street parking.

Special requests for street parking in the Tribeca neighborhood should be directed to the community affairs office at the 1st Precinct of the New York City Police Department. Requests must be submitted with more than one month's notice for consideration and are not guaranteed.

Load – In

Loading Area – The Theatre Two loading area is located just forward of 190 West Street. Load-In will be through a gate and then proceed 300 feet to the theatre. The loading area will not accommodate a large semi-truck, but will accommodate a large box truck. Trucks cannot back into this loading area. If you are touring with a semi, arrangements can be made to accommodate such a truck. Load-In times will be scheduled within your contracted use of the space and are available by appointment only. The loading area cannot be used to park trucks or vehicles.

Dimensions of Loading Gate: 9’5”(w) x 10’0” (h)

Dimensions of Interior Glass Doors: 6’7”(w) x 6’7” (h)

Distance from Loading Area to Elevators: 800’

Distance from Loading Area to the Theatre: 300’

Load-In of Front of House Equipment - In some instances it will be easier to load in equipment going to the front of house positions in theatre two by using the BMCC / Tribeca PAC elevators. Equipment must be loaded in at the West Street Gate entrance. The West Street Gate entrance is located just north of the Theatre One Loading Dock and is available by appointment only. The elevators are the only means of elevator travel to the upper house section of theatre one. Please contact the technical director if you feel you may need to use this as a load in location. You must have a Tribeca PAC staff member with you while using the elevators within the college. During peak hours of class time and events within the college, it is a good idea to allow extra time if planning to use these elevators.

Dimensions of Elevators: 5’3”(w) x 8’3”(h) x 6’9” (depth)

There is no freight elevator at the BMCC / Tribeca Performing Arts Center

Audio – Visual

BMCC Tribeca Performing Arts Center does not provide equipment such as LCD Projectors, DVD Players, VHS Players, and Laptop Computers. For most Audio/Visual needs we have equipment available from the BMCC Media Services Office. Please let us know of your specific needs so that we may advise you about the type of media equipment we have available. Note that you will receive a bill from Tribeca PAC to cover these additional BMCC auxiliary services. You may also need to have additional discussions with the director of the media services office.

We do not have any film projectors installed within the theatre. If you are planning on showing a film and a standard 3000 lumens projector will not meet your needs, you will have to rent in all necessary equipment from an outside company. We have suggested two companies that have provided this service to our clients before. Please note you must contract the equipment and staffing from the outside company in addition to the theatre's technical staffing. You may also require the services of the BMCC Electricians in order to provide enough power for the rented projector and equipment.

There is one projection surface in Theatre Two

- 1 – Automated Roll Down Screen downstage of the main drape. – **FRONT projection only**
Screen Dimensions: 17' (w) x 17' (h)
Travel Time: Full In Position – 1 min
Full Out Position – 1 min

Screen control switch located in the control booth.

Due to size & weight, the screen can only cycle in and out one time in a period of fifteen minutes.

Distance from the control booth to the front screen – 50'

Rear projection screens and portable free standing screens are available from media services and may be billed at an additional fee.

Internet Services are available and may be billed at an additional fee. This also requires a planning session with member of BMCC Tribeca PAC's staff and the computer center offices of the Borough of Manhattan Community College

Satellite Uplink and Downlink service is available and may be billed at an additional fee.

TICKET PRINTING

In House Printing

BMCC Tribeca PAC is equipped to handle most ticketing situations. Please fill out the Ticket Printing Form that was provided to you and return it to the Ticketing Services Manager. Once we have received your Ticket Printing Form we will build your Event in our database. We will then print a Test Ticket for you to proof

Outside Printing

Is not permitted.

Wristbands / Badges

Your production team working your event at BMCC Tribeca PAC will not be admitted without BMCC Tribeca PAC generated badges or wristbands. Please contact the Ticketing Services Manager to arrange these for your staff. Remember that these badges or wristbands will not permit your production staff to sit within the theatre during the performance. We can also supply wristbands and badges, at an additional charge, for all day events that allow patrons re-entry.

Ticket Sign-Out

You are allowed as the producer to sign-out tickets for each performance. These tickets are yours to sell or distribute outside of the BMCC campus in any way that you see fit.

In order to better serve the BMCC community, events that are open to the public are required to leave a minimum of 50% of the seating capacity of the theatre (Theatre 1 – 457 seats, Theatre 2 – 130 seats) with Ticketing Services. These tickets will be available at Ticketing Services for any patrons to purchase during regular Ticketing Services hours.

Any tickets that you wish to have sold on the BMCC campus the day of the Event must be returned to Ticketing Services one (1) business day prior.

TICKETS MAY NOT BE SOLD ON THE BMCC CAMPUS OUTSIDE OF TICKETING SERVICES
- NO EXCEPTIONS

For example, your performance takes place Saturday night at 7pm, unsold tickets should be returned to Ticketing Services no later than 6pm on Friday. If your event takes place on a Monday evening you would need to return your tickets by 6pm on Saturday.

SELECTING A PRICING MAP

We have created a set of Standard Pricing Maps for Theatre 1. These maps are already in the ticketing software and are the most efficient for your event.

There are 6 separate Standard Pricing Maps for Theatre 1. They range from 1 Pricing Zone / General Admission to 5 Pricing zones

There are 3 separate Standard Pricing Maps for Theatre 2. They range from 1 Pricing Zone / General Admission to 3 Pricing zones.

If none of the Standard Pricing Maps work for you event, we can create a custom map for a fee of \$250.00

DISCOUNT / PROMOTIONS

BMCC Student / Staff

There is a minimum 20% discount for BMCC Students, Faculty, and Staff. This discount will require the patron to show their BMCC identification card to Ticketing Services before the sale is made. This discount will not be available by phone or internet sales

Other Discounts / Promotions

Please discuss and Promotions / Discounts with the Ticketing Services Manager before you advertise it. We want to be prepared to serve your customers as best we can.

Special Considerations

Complimentary/Press Tickets

It is in your best interest to reserve complimentary tickets as you become aware that you need them. This will allow us to provide you with the best selection of seats to choose from. Please provide Ticketing Services with a preliminary list with Patron Names and Number (#) of Seats no less than 1 business day prior to your event.

Website Listing

We are more than happy to add your event to the calendar on www.tribecapac.org. If you would like to participate in this, please email a descriptive paragraph about your event along with a graphic to Ticketing Services Manager when you submit your ticketing request form. If you would not like your event listed on the website, please contact the Ticketing Services Manager.

Internet Sales

We are able to provide internet ticket sales through SmartTix.com. If you are interested in this service, please indicate this on the ticket request form. All tickets sold via SmartTix will be subject to the contracted credit card fee rate.

Wheelchair Seats

All Wheelchair seats are held by Ticketing Services. Patrons in need of a Wheelchair seat can contact us directly during Regular Ticketing Services Hours.

Will Call

There are a couple of ways to handle Will Call tickets.

-You may pass the Will Call tickets to Ticketing Services. You will need to include a complete list of all the tickets including Patron's Name, Phone Number, Section/Row/Seat, and any Notes/Special Accommodations. Ticketing Services must receive this information at least one (1) business day prior to the event, unless alternate arrangements are made.

-You can request that House Management set up a table for your representative to handle Will Call. The table will generally be just to the side of Ticketing Services in front of Theatre 2. This table would only be for Will Call Tickets, not sales – **no money may be exchanged at this table under any circumstances.**

Reservations

Ticketing Services does not take Reservations or Hold Seats for patrons. The only way for a patron to guarantee themselves a seat is to purchase a ticket.
